

Join the Dining Services GREEN CLUB

**Our green takeout containers are
dishwasher safe and reuseable!**
**Become a member of the GREEN
CLUB today!**

Initial Charge:
\$7.00

- **Instructions:**
- When ordering, request your food in a green takeout container.
- Tell the cashier it is your first green container. You will be charged the initial fee.
- Take your food home in the container. When you are done, return it to Dining Services for sanitizing. We will give you a sanitized container the next time you take food to go! Do NOT bring your own container to the line – you must return it to be sanitized so that we are in compliance with food safety laws.
- Do not throw the container out, even if it is damaged. Return it to Dining Services and we will remove it from inventory. At Heritage Heights, containers can be left in the TRAY RETURN areas.
