FICTION

The Windsor Affair by Melanie Benjamin

A power struggle for the English throne. A sensational rivalry between an English queen and an American commoner. In this electrifying novel that tells the story of the Abdication of Edward VIII—and the two women at the center of it all.

MYSTERY

The Last Mandarin by Louise Penny

When security and fire alarms go off simultaneously all around the world, setting off a panic, the signal is traced back to China. As world leaders scramble to respond, Vivien Li, a former Tiananmen Square dissident and her daughter Alice are called to the White House in hopes Madame Li can interpret the Chinese intentions. But why involve Alice?

Includes a Bonus Chapter - exclusive to books sold by independent bookstores.

BIOGRAPHY

Trudeau & Doonesbury by Joshua Kendall

The life and work of Garry Trudeau, creator of the massively popular Pulitzer Prize-winning cartoon *Doonesbury*, based on extensive interviews with Trudeau, his friends, fellow cartoonists, prominent journalists, and even politicians who were mocked in the strip, as well as previously unmined archival materials. It includes many *Doonesbury* cartoons.

This book tells the story of the cartoonist and what drove him to put pen to paper. He traces Trudeau's boyhood in the Adirondack Mountains, his teenage angst in prep school, and his formative years at Yale, where he began drawing his iconic strip. And he shows the changing world it reflected; *Doonesbury* began appearing in papers nationwide in 1970, and big events, from Watergate to the war in Vietnam, fueled its popularity and its significance.
